Support Services for Military Members and Their Family

At Southwestern Behavioral Healthcare, we understand the unique challenges military families face. Our treatment team is here to offer:

- **Trauma Support**
- **Relationship Management**
- **Coping with Change**
- **Family Support**
- **Survivor/Grief Counseling**

Our team, Star Behavioral trained, offers compassionate, culturally informed care that is led by a Veteran Services Coordinator who has military experience and a deep understanding of military culture.

Veterans and their families will also have access to:

- **Crisis Services** – Confidential and available when you need them most
- **Gun Locks** – Provided at no cost for anyone in need
- **Expanded Services** – An array of mental health and/or substance use services we offer
