### **Crisis Line Services**

24/7 Crisis Line that connects individuals in crisis with staff who can assist with coping skills and link to resources.

### **Stabilization Unit**

A safe space where visitors can spend up to 23 hours deciding their next best step and receive assistance getting there.

### **Mobile Response**

A team that co-responds with community partners to meet with and assist people in crisis.

Partner of Indiana's 988 Crisis Response Team. Designated as a DMHA Crisis Mobile Response Team and funding provided by a DMHA Crisis Receiving and Stabilization Services grant.
